Hari Om!

A very warm welcome to Chinmaya Mission Austin!

Chinmaya Mission Austin offers a very well-established structured program for the growth of individuals from all backgrounds, as part of the larger Chinmaya Mission organization whose purpose is spreading the teachings contained in Vedas and Upanishads. All our activities have one focus: to reveal to people of all ages and from all walks of life, the timeless wisdom of Vedanta, which is the core of Hindu philosophy. Over the years, with Pujya Gurudev Swami Chinmayananda's blessings, our center has been growing from strength to strength and reaching out to increasing numbers of people.

Our Vision

Inner transformation of individuals through knowledge of Vedanta, spiritual practices and service to society, resulting in a happy world around them.

Our Mission Statement

To provide to individuals, from any background, the wisdom of Vedanta and the practical means for spiritual growth and happiness, enabling them to become positive contributors to society.

Our Motto

To give the maximum amount to happiness to the maximum number of people for the maximum amount of time.

Bala Vihar Motto: Keep Smiling

"To help children learn values with fun, to delight like the moon and shine like the sun!"

- Pujya Guruji Swami Tejomayananda

"Children are not vessels to be filled, but lamps to be lit."

"The seed of spiritual values should be sown in young hearts, and the conditions made favorable for sprouting and steady growth through proper control and discipline. It must be cared for with the warmth of love and affection, and such a tree shall blossom forth flowers of brotherhood, universal love, peace, bliss, beauty, and Perfection."

- Pujya Gurudev Swami Chinmayananda

Be a True Chinmaya Family Member

Hari Om! Salutations!

Chinmaya Mission will never teach you anything, but it is an organization where all will come together to learn. The science of Reality and the path of God-realization are the main subjects that you will learn in the Chinmaya Mission.

There are subsidiary attempts such as sharpening your personality, blazing up your intellect, oiling your emotions, refitting your relationships, recharging your convictions, replenishing your values – in short, you will be completely changed to a new brilliant person.

God is all-pervading and the Mission's hope is to make our generation more conscious of the God Principle. Thus, all our friends who are sincerely practicing self-purification and mental purification are faithful Mission members.

Chinmaya Mission is a non-stop course in religion. Our Mission's work is to replace the beast in us with the best in us. So long as you are practicing – not outwardly only but mainly inwardly – you are a dearer member of the Chinmaya family than anybody else.

Mission workers' joy should be in receiving with grace 'Fire' from others, and convert it to 'Light', to guide all and to be of service to all.

Remember, members of the Chinmaya Mission today have an outstanding position in the society. They are being looked up to by an expectant part of the nation as perhaps the harbingers of a new hope into the chaotic conditions of the society.

So, think before you speak! Remember the Lord before you act! Let not an ugly action ever defile the face of the cherished hopes of the society! Let not even an unintended word from your mouth splash tears in the face of the community!

With Love

Swami Chinmayananda

ACTIVITIES AT CHINMAYA MISSION AUSTIN

Bala Vihar

The Chinmaya Bala Vihar program offers weekly spiritual enrichment classes for school-age children in their formative years. The 90-minute classes are categorized by age groups and include chanting, bhajans, stories of devotion and morals, interactive discussions, and creative games. The classes are based on a dynamic curriculum aligned with the Bala Vihar rationale set by Pujya Gurudev Swami Chinmayananda:

- To help children and youth grow up with a strong understanding and reverence for Hindu spiritual and cultural values.
- To instill self-confidence so that they are able to serve and act cheerfully.
- To generate personal discipline, dynamic leadership, and true affection in all relationships.
- To enable children and youth to achieve success and balance as they grow up and face the challenges of life.
- To foster an atmosphere of growth and curiosity that is filled with noble ideals, healthy emotions, and physical discipline.

Shishu Vihar

Shishu Vihar is Chinmaya Mission's newest creative device to "*catch them young*" - a forum for our youngest children aged below 4 years and their parents. Shishu Vihar provides an early introduction to spiritual education to infants, toddlers and their parents. This parent-in-class program follows the paradigm of "play groups" where children learn through songs, stories and arts and crafts facilitated by teachers and parents. For effective learning, props, music and an extensive array of colors, shapes and forms are all utilized to relay information in a fun and engaging format. For additional information about the Shishu Vihar program, please email shishuvihar@chinmayaustin.org.

Bala Vihar/Shishu Vihar Enrollment Guidelines

Building character and instilling values takes sustained effort over time. As such, Bala Vihar should be considered as a long-term engagement and children are to be enrolled in the Bala Vihar grade consistent with their school grade. This ensures that they get to interact with peers of the same age-group and build close friendships and a social/support network with their classmates over the years - which will motivate them to stay committed to Bala Vihar through high school.

Enrollment guidelines for 2026-27 Bala Vihar / Shishu Vihar are as follows:

Shishu Vihar/Bala Vihar Enrollment Guidelines 2026-27	
Age	Grade Level
5 years on or before Sept 1, 2026	Kinder
4 years on or before Sept 1, 2026	Pre-K
Less than 4 years on Sept 1, 2026	Shishu Vihar

Note: Children can advance to Kinder only when they start Kindergarten in elementary school.

Sri Soma Sundareswara Temple

The Sri Soma Sundareswara Temple at Chinmaya Mission Austin is open to all and holds regular Abhishekams, special Pujas and observance of special events and festivals. Please refer to the CMA website or email temple@chinmayaaustin.org for up-to-date Temple timings, Puja schedules, special events and priest services.

Bhagavad Gita Chanting Classes

Pujya Gurudev Swami Chinmayananda worked tirelessly for 40 years to propagate the message of the Bhagavad Gita, which he referred to as the “handbook for everyday living”. *Chant. Study. Know. Live.* This is the scheme propounded by Pujya Gurudev for us to grow and evolve.

The Bhagavad Gita Chanting program aims to bring this philosophy into the lives of both children and adults by teaching authentic pronunciation of all 18 chapters of the Bhagavad Gita with emphasis on pronunciation and memorization. Please email info@chinmayaaustin.org for more details.

Language Classes

The language classes promote language skills in various Indian languages. The classes familiarize students with the alphabet and numbers through reading and writing, and introduce them to common words and phrases that will enable the understanding of simple conversation. The students are encouraged to speak the language and to improve their comprehension through songs, stories and games. Please refer to the CMA website or email info@chinmayaaustin.org for more details on language class offerings.

Swaranjali Classes

Several cultural classes including violin, tabla, dance, bhajans etc. are offered for both children and adults under the Swaranjali program. More information on these classes can be obtained by emailing swaranjali@chinmayaaustin.org.

Festivals and Special Events

Several Hindu festivals such as Krishna Janmashtami, Ganesha Chaturthi, Navaratri, Diwali, Mahashivaratri, Rama Navami, Gurudev's Jayanti and Guru Purnima are celebrated at Chinmaya Mission. The significance of each festival is beautifully explained to the Bala Vihar students by the teachers and Spiritual Guides.

We also have other special fun-filled activities such as the Holi and Kite flying carnival, day and summer camps, service projects, college seminars, movie nights, and lock-ins that are organized throughout the year. These activities boost the enthusiasm and interest of the children and provide them opportunities to bond with one another.

Adult Classes and Study Groups

Our Spiritual Guides, RahulJi and PriyaJi, and visiting Spiritual teachers give

discourses and lectures to adults on Upanishadic texts during the Sunday Bala Vihar sessions as well as during the week. Please email satsang@chinmayaaustin.org for information about ongoing adult classes.

Adult study groups meet every Wednesday to study and discuss Vedantic texts under the guidance of Dr. Meena Patel. For information about study group, please email studygroup@chinmayaaustin.org.
