HARI OM!

This manual is a guide for Chinmaya Mission Austin (CMA) Bala Vihar, Shishu Vihar and Language class registrations. Please follow the step-by-step instructions as you complete your registration as it will answer many of the questions that may come up.

Important Info Before You Start

- You will need an email ID to create an account and login to your family portal. This family portal will give you access to review your registrations and resources shared by the teachers for your child's class. **This email ID will be used as the primary email ID for all communications.**
- This registration system is based on a shopping cart type design where you will add classes for each of your children using 'Add to Cart' and pay at the end.
- If you have any financial constraints in making the registration donation for Bala Vihar, please email register@chinmayaaustin.org.
- If you would like to take advantage of company matching to multiply your registration donation, please email register@chinmayaaustin.org. Please note that with this option, you are still required to pay the full registration donation and any company matching funds are in ADDITION to your full Bala Vihar dues.
- There are no refunds or credits for any reasons. Please consider your payment as a donation for the welfare of the community.
- If you run into any issues, please email register@chinmayaaustin.org. Include as much detail as you can and provide all contact information in your email.

Important Note: The Bala Vihar/Shishu Vihar fee for the whole family is \$750. You will notice, when adding your children, that for every child a fee of \$750 will get added to your cart. But at the time of checkout, the sibling discount will get automatically applied bringing the fee down to \$750 for the family (any number of siblings). Please note that multiple siblings must be checked out **together** for the discount to get applied.

- The grade you choose in Bala Vihar for your child must be the **grade your child will be entering in school in Fall 2026. No Exceptions!**
- For Shishu Vihar and Pre-K, please refer to the age cut-off table below:

CMA Bala Vihar/ Shishu Vihar Age Cutoffs 2026 - 27

Age	Grade Level
4 years on or before Sept 1, 2026	Pre-K
Less than 4 years on Sept 1, 2026	Shishu Vihar

- **Spots are limited** in each class and will be filled on a first-come basis. If the class you are trying to register your child for is full, you can select the 'Add to Waitlist' option to be notified if/when a spot is available. In the meantime, you can register your child for the same grade in the alternate session, if spots are available.
- When adding in child information, please make sure you select **alternate email IDs** (2nd parent) that should receive class related updates.
- **Hindi Language Registration:** You will also have the option to add-on programs like Hindi language program. Add-on classes are the additional programming offered for an age/grade. You can choose to add this on as part of your Bala Vihar registration. Please note that there is an additional fee for the add-on.

Important Note: All classes are **in-person at Chinmaya Mission Austin – Sundaram**. There are two sessions on Sundays for all Bala Vihar grades. The same curriculum and format will be followed across all sessions. The session you select during registration will be the session that your family will attend for this school year.
